We have audited the financial statements of Ghogarpalli Integrated Power Company Limited which comprise the balance sheet as at 31st March, 2025, and the statement of Profit and Loss and statement of changes in equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, its profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note No. 20 of the accompanying financial statements with regard to management's intention to close the Company as the desired activities for which the Company (SPV) was formed are not progressing since its inception. Ministry of Power(MoP) vide letter dated 12.11.2021 has conveyed its decision to defer any action or the formulation of UMPPs bidding for new work as of now, as the country is making energy transmission from fossil fuel to non-fossil fuel. Further the MoP advised to review status of all the UMPPs and take necessary

19

correction for closure etc. in consultation with stakeholders. Various communications has been made with stakeholders in this regard since the project is already delayed. Subsequently, MoP vide OM dated 02.06.2023 has given its consent for closure of UMU and has directed PFCC, to initiate further necessary action as per Standard Operating Procedure (SoP) formulated by MoP for closure of UMPP. Further MoP in its quarterly performance review meeting (QPRM) dated 21.09.2022 (para 10) has decided that all the expenditure incurred on UMPP(s) is to be recovered from the procurers and amount recoverable from a procurer may be adjusted from surplus in any other UMPP(s). Therefore the financial statements have not been prepared on going concern basis. The company will be closed/ struck off as per provisions of section 248-252 of the Companies Act, 2013 and relevant rules after obtaining necessary approvals from PFC and MoP, GOI.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to communicate the matter to those charged with governance as required under SA 720 'the Auditors Responsibilities Relating to Other Information'.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IndAS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting

related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, including certain matters in respect of audit trail as stated in para (B) (vi) below
- c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, changes in equity, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies Rules, 2014.

- e) Being a Government Company, pursuant to notification no. G.S.R 463(E) dated 05.06.2015 issued by the government of India, provisions of sub-section (2) of section 164 of the Act regarding disqualification of directors is not applicable to the company.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in Annexure "A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) Being a Government Company, pursuant to notification no. G.S.R. 463(E) dated 05.06.2015 issued by the government of India, provisions of section 197 of the Act, regarding managerial remuneration is not applicable to the company.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with
- i) Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person or entity, including foreign entities, with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities

identified in any manner whatsoever by or on behalf of the Funding Party or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.

- v. No dividend has been declared or paid during the year by the company as such the compliance with the section 123 of the Act is not applicable to the company.
- vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with for the period where audit trail is being enabled and operated. Furthermore, the audit trail has been preserved by the company as per the statutory requirements for record retention where the audit trail feature were enabled.
2. As required by the Companies (Auditor's Report) Order, 2020, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act ("the Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure B", a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
3. We are enclosing our reports in terms of sections 143(5) of the Act, on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, in the "Annexure-C" on the directions and sub- directions issued by the Comptroller and Auditor General of India.

TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (l) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

[Referred to in paragraph 13(f) of the Independent Auditor's Report of even date to the members of Ghogarpalli Integrated Power Company Limited on the Ind AS Financial statements for the year ended 31st March, 2025]

We have audited the internal financial controls over financial reporting of **Ghogarpalli Integrated Power Company Limited** as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls

operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in

95

conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "C"

TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 3 under "Report on Other Legal and Regulatory Requirements Section of our report to the Members of Ghogarpalli Integrated Power Limited)

Replies to the Directions issued by Comptroller & Auditor General of India to the Statutory Auditors under Section 143(5) of the Companies Act, 2013 for the year ended 31 March 2025

S.No.	Particulars	Reply
1.	Whether the company has system in place to process all the accounting transaction through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.	Yes, the company has system in place to process all the accounting transactions through IT system i.e. Oracle. In our opinion and to the best of our information and according to the explanations given to us, the company has adequate control system to verify the correctness of the entries posted in Oracle.
2.	Whether the company has made investments in companies, firms, or other parties for the purpose of providing post- retirement employee benefits? If yes, whether the investments have been valued fairly, and whether the valuation methodology is consistent with applicable accounting standards? Report any deviations.	The Company has not made any investment in companies, firms, or other parties for the purpose of providing post- retirement employee benefits.

3.	Whether funds (grants/subsidy etc.) received/receivable for specific schemes from Central/State government or its agencies were properly accounted for/utilized as per its terms and conditions? Also, whether interest earned on such funds, if any, has been properly accounted for?	There are no funds (grants/subsidy etc.) received/receivable for specific schemes from Central/State government or agencies, hence this clause is not applicable.
4.	Whether the company has identified key risk areas and implemented a risk management policy that aligns with global best practices? Has the company identified and values its data assets?	The company is on the verge of closure. In our opinion, it is not required to maintain and implement a well-defined risk management policy keeping in mind size and operations of the company. The company has not identified and not valued its data assets.
5.	Whether the company has complied with the provisions of SEBI (LODR) Regulations, 2015 (if applicable) and other relevant regulations issued by statutory bodies such as DIPAM, MCA, DPIIT, RBI, TRAI, CERT-IN, Meity, NPCI, etc.? Deviations, if any, may be reported.	Provisions of SEBI (LODR) Regulations, 2015 are not applicable to the company. Guidelines issued by MCA have been followed. Guidelines issued by DIPAM, DPIIT, RBI, TRAI, CERT-IN, Meity, NPCI are not applicable to the company.

GHOARPALLI INTEGRATED POWER COMPANY LIMITED
CIN:U45207DL2008GOI178456

Notes to the Financial Statements for the year ended March 31, 2025

1 Corporate Information

Ghogarpalli Integrated Power Company Limited ("the Company") was incorporated on May 22, 2008 under the Companies Act, 1956 as a wholly owned subsidiary of Power Finance Corporation Limited (PFC), a Govt. of India Undertaking. Certificate for Commencement of Business was issued on April 16, 2009. The registered office of the Company is located at First Floor, Urjanidhi, 1, Barakhamba Lane, Connaught Place, New Delhi -110001. The Company is a special purpose vehicle incorporated to facilitate the acquisition of land and complete preliminary work regarding statutory clearances including that of environment, forest etc. for the purpose of establishing Ultra Mega Power Project (UMPP) of 4000 MW in the state of Odisha (Project).

Ministry of Power (MoP) vide letter dated 12.11.2021 has conveyed its decision to defer any action on the formulation of UMPPs bidding framework as of now, as the country is making energy transition from fossil fuel to non-fossil fuel. Further the MoP advised to review status of all the UMPPs and take necessary correction for closure etc. In consultation with stakeholders. Various communications has been made with stakeholders in this regard since the project is already delayed.

Subsequently, MoP vide OM dated 02.06.2023 has given its consent for closure of UMPP and has directed PFCCL to initiate further necessary action as per Standard Operating Procedure (SoP) formulated by MoP for closure of UMPP. Further MoP in its quarterly performance review meeting (QPRM) dated 23.09.2022 (para 10) has decided that all the expenditure incurred on UMPP(s) is to be recovered from the procurers and amount recoverable from a procurer may be adjusted from surplus in any other UMPP(s). Therefore the financial statements have not been prepared on going concern basis. The company will be closed/striking off as per provisions of section 248-252 of the Companies Act, 2013 and relevant rules after obtaining necessary approvals from MoP etc.

2 General

(a) Basis of Preparation and Statement of Compliance

These financial statements have been prepared on historical cost and accrual basis of accounting and are in compliance with the Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and applicable provisions of the Companies Act, 2013. However in view of closure of project, the financial statements have not been prepared on going concern basis.

The Company's financial statements are presented in Indian Rupees (INR), which is its functional currency.

Amounts in these financial statements have been rounded off to 'nearest hundreds upto two decimal points (unless otherwise indicated).

(b) Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of revenue, expense, assets and liabilities and disclosures relating to contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the period in which the estimate is revised and in any future period affected.

3 Material Accounting Policy Information

(a) Recognition of Income/ Expenditure

Income and expenses are accounted for on accrual basis.

(b) Borrowing Cost

Borrowing Costs that are attributable to the acquisition, construction of fixed assets which take substantial time to get ready for its intended use are capitalized as part of the cost of such assets to the extent they relate to the period till such assets are ready to be put to use. Other borrowing costs are charged to Statement of Profit and Loss in the year in which they are incurred.

(c) Capital work-in-progress

Expenditure incurred during construction period on Survey/ Studies/ Investigation/ Consultancy/ Administration/ Depreciation/Interest etc and other expenditures during construction period is capitalised and treated as Capital-work-in-progress.

(d) Prior Period Expenses

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated.

(e) Cash and cash equivalents

Cash comprises cash on hand and demand deposits. The Company considers cash equivalents as all short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Cash Flow Statement

Cash flow Statement is prepared in accordance with the indirect method, whereby net profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated.

(g) **Taxation**

Income Tax expense comprises of current and deferred tax. It is recognised in Statement of Profit and Loss, except when it relates to an item that is recognised in OCI or directly in equity, in which case, tax is also recognised in OCI or directly in equity.

Current tax is the expected tax payable on taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustments to tax payable in respect of Previous Years.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable income. Deferred tax is measured at the tax rates based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority.

A deferred tax asset is recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The carrying amount of deferred tax assets is reviewed at the end of each financial year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all parts of the asset to be recovered.

(h) **Provisions, contingent liabilities and contingent assets**

- i. Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, if it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.
- ii. Where it is not probable that an outflow of economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as contingent liability in notes to accounts, unless the probability of outflow of economic benefits is remote.
- iii. Contingent Assets are not recognised in the financial statements but are disclosed, where an inflow of economic benefit is probable.
- iv. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

(i) **Financial instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instruments.

On initial recognition, financial assets and financial liabilities are recognised at fair value plus/ minus transaction cost that are attributable to the acquisition or issue of financial assets and financial liabilities. In case of financial assets and financial liabilities which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in Statement of Profit and Loss.

i.1 **Financial assets**

All regular way purchases or sales of financial assets are recognised and derecognised on a settlement date basis.

After initial recognition, financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

i) **Classification and Measurement of Financial assets (other than Equity instruments)**

a) **Financial assets at Amortised Cost:**

Financial assets that meet the following conditions are subsequently measured at amortised cost using Effective Interest Rate method (EIR):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

b) **Financial assets at Fair Value through Other Comprehensive Income (FVTOCI)**

A financial asset is measured at FVTOCI if both the following conditions are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial asset; and
- the contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

c) **Financial assets at fair value through profit or loss (FVTPL)**

A financial asset is measured at FVTPL unless it is measured at amortised cost or FVTOCI, with all changes in fair value recognised in Statement of Profit and Loss.

ii) Impairment of financial assets

a) Subsequent to initial recognition, the Company recognises expected credit loss (ECL) on financial assets measured at amortised cost. ECL on such financial assets, other than loan assets, is measured at an amount equal to life time expected losses. The impairment requirements for the recognition and measurement of ECL are equally applied to Loan asset at FVTOCI except that ECL is recognised in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

b) Impairment of Loan Assets and commitments under Letter of Comfort (LoC):

The Company measures ECL on loan assets at an amount equal to the lifetime ECL if there is credit impairment or there has been significant increase in credit risk (SICR) since initial recognition. If there is no SICR as compared to initial recognition, the Company measures ECL at an amount equal to 12-month ECL. When making the assessment of whether there has been a SICR since initial recognition, the Company considers reasonable and supportable information, that is available without undue cost or effort. If the Company measured loss allowance as lifetime ECL in the previous period, but determines in a subsequent period that there has been no SICR since initial recognition due to improvement in credit quality, the Company again measures the loss allowance based on 12-month ECL. ECL is measured on individual basis for credit impaired loan assets, and on other loan assets it is generally measured on collective basis using homogenous groups.

c) The impairment losses and reversals are recognised in Statement of Profit and Loss.

iii) De-recognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable, and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity, is recognised in Statement of Profit and Loss if such gain or loss would have otherwise been recognised in Statement of Profit and Loss on disposal of that financial asset.

i.2 Financial liabilities

i) All financial liabilities other than derivatives and financial guarantee contracts are subsequently measured at amortised cost using the effective interest rate (EIR) method.

EIR is determined at the initial recognition of the financial liability. EIR is subsequently updated for financial liabilities having floating interest rate, at the respective reset date, in accordance with the terms of the respective contract.

ii) De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in Statement of Profit and Loss.

(i) Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per shares is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per shares and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

(ii) Financial risk management objectives

The Company's corporate treasury function monitors and manages the financial risks relating to the operations of the Company by analyzing exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest risk and other price risk), credit risk and liquidity risk.

(iii) Market Risk

The Company's activities expose it primarily to the financial risks of changes in interest rates (see note v below).

Market risk exposures are measured using sensitivity analysis.

There has been no change to the Company's exposure to market risks or the manner in which these risks are being managed and measured.

(iv) Interest rate risk management

The Company is exposed to interest rate risk because it borrow funds at the rate of interest under category of " State Sector Borrowers (Category 'A') as determined from time to time (fluctuating rate of interest) .

The Company's exposures to interest rates on financial assets and financial liabilities are detailed in the liquidity risk management section of this note.

(v) Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Sensitivity analysis for a 50 basis points fluctuation in interest and all other variables were held constant is explained below:

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Impact for Profit or (Loss)	-	-
Impact for Other comprehensive income	-	-

The Company's sensitivity to interest rates has decreased during the current year mainly due to the reduction in variable rate debt instruments and the increase in interest rate swaps to swap floating rate debt to fixed rate debt.

(vi) Other price risks

The company is not exposed to price risk as its does not hold any investments.

(vii) Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

The Company has limited exposure to credit risk owing to the balance of loan receivable from PFC as mentioned in Note 5. Company does not have trade receivable. Further the loan receivable is from its Holding company (PFC).

Company's bank balances are held with a reputed and creditworthy banking institution resulting to limited credit risk from the counterparties.

(viii) Liquidity risk management

The Company manages liquidity risk by maintaining adequate reserves and continuously monitoring forecast and actual cash flows and by matching the maturity of financial assets and liabilities.

(ix) Fair value of financial assets and financial liabilities that are not measured at fair value :

(₹ in Hundreds)

Particulars	Fair value hierarchy	As at March 31, 2025		As at March 31, 2024	
		Carrying amount	Fair value	Carrying amount	Fair value
Financial assets					
Cash and cash equivalents	Level 3	171.43	171.43	3,629.92	3,629.92
Loans	Level 3	359.57	359.57	21,36,355.68	21,36,355.68
Other financial assets	Level 3	-	-	2,10,180.29	2,10,180.29
Financial Liabilities					
Other financial liabilities	Level 3	486.00	486.00	23,51,775.01	23,51,775.01

The fair value of financial assets and liabilities approximate with the carrying amount recognized in the financial statements. There was no transfer between Level 1, Level 2 and Level 3 in the year. The carrying amount of financial assets and financial liabilities measured at amortised cost in the Ind AS financial statements are a reasonable approximation of their fair value since the Company does not anticipate that carrying value would be significantly different from the values that would eventually be received or settled.

GHOARPALLI INTEGRATED POWER COMPANY LIMITED
(CIN:U45207DL2008GOI178456)
Notes to the Financial Statements for the year ended March 31, 2025

- 20 As disclosed in note 1, MoP vide OM dated 02.06.2023 has given its consent for closure of UMPP (GIPCL) alongwith Other UMPP companies and has directed PFCCL for closure of Odisha 2nd Additional UMPP (GIPCL) and therefore the financial statements of the Company are not being prepared on going concern basis from financial year 2022-23. It was also decided by MoP in its Quarterly Performance Review Meeting (QPRM) dated 23.09.2022, all the expenditure incurred on UMPP(s) is to be recovered from the procurers and amount recoverable from a procurer may be adjusted from surplus in any other UMPP(s). Further, during the year, the Board of Holding Company (PFC) in its meeting dated 12.03.2025 has given its consent for:
- (1) Closure of all UMPP companies.
 - (2) Transfer all the procurer balances (receivable/payable) to PFC for further settlement/adjustment through/by PFC.
 - (3) Interest receivable/payable, from/to PFC/PFCCL/Procurers shall be restricted to the cut-off date only i.e. 31st March 2024.
 - (4) PFC shall bear any expenditure pertaining to legal, audit and statutory expenses subject to overall limit amounting to Rs. 2.00 crore which may be incurred after 31.03.2024 for the SPVs.

- 21 In view of decision of MoP dated 02.06.2023, financial statements of GIPCL were not prepared on going concern basis from financial year 2022-23 and accordingly, assets and liabilities are recorded on the basis that the entity will be able to realise its assets and discharge its liabilities in the normal course of business and all such assets and liabilities are considered as current. The expenditure incurred for the project which was shown as Capital work in progress (net of reversal of interest on utilised portion) was adjusted against all procurers accounts in proportion to their allocated share of power in the project. Further other expenditure incurred during the year (Note 15) which were previously capitalised in Capital work in progress, was also adjusted against procurers accounts. After above adjustments, net procurers balances (including interest payable on unutilised portion) being in surplus is to be refunded to the respective utilities has been shown in the Balance Sheet under Other current financial liabilities. Further procurers who have not paid their share in commitment advance and therefore having debit balance after above adjustment, such debit balance is to be recovered from such procurers and has been shown in the Balance Sheet under Other current financial assets.
- 22 In view of decision of PFC board dated 12.03.2025 for closure of all UMPP/SPV companies as stated above, no interest (receivable/payable) on any balance has been booked during the year. Expenses of audit fees and legal and statutory filing Rs.768.97 hundreds have been shown as recoverable from PFC and an amount of Rs.4,962.98 hundreds have been written off in order to prepare NIL balance sheet for closure of the company. The procurer balances (receivable/payable) as appearing in Note-6 and Note-10 have been transferred to PFC for further adjustment by PFC for all the UMPPs/procurers and therefore the procurer balances as on 31.03.2025 have become NIL and accordingly the balance of amount receivable from PFC as disclosed in Note-5 has been decreased.
