➤ Management comments

Commenting on PFC's performance, **CMD Ms. Parminder Chopra shared that** PFC continues to set new benchmarks as India's highest profit-making NBFC — both on a consolidated and standalone basis. With a focus on delivering sustainable growth that is Realistic, Resilient, and Robust, we have delivered yet another year of strong financial performance.

With a double-digit 13% growth in our loan portfolio, we are powering India's power & infrastructure sector with confidence and stability.

At the same time, maximizing shareholder value remains central to our strategy which is reflected in PFC's final dividend of Rs. 2.05 per share, taking the total dividend for FY'25 to Rs. 15.80 per share.

Also, PFC continue to leads the way in clean energy financing with the largest renewable loan book in the country, now exceeding Rs. 80,000 crores — a remarkable 35% year-on-year growth.

We remain committed to financing a greener, stronger, and more sustainable India.

Commenting on PFC's performance, **Director (Finance), Sandeep Kumar** shared that

FY25 has been a landmark year for PFC, delivering our **highest-ever profit** — a **21% increase to Rs. 17,352 crores** — driven by strong financial and operational excellence.

The **successful resolution of KSK Mahanadi** has been instrumental in further strengthening our asset quality, with **Net NPAs sharply declining to 0.39% from 0.85%**. These results reinforce our commitment to financial prudence, operational excellence, and value creation for all stakeholders
