I confirm that as of 31-Mar-2022, Power Finance Corporation Limited was, to the best of my knowledge, in conformance with the Certification requirements of the Climate Bonds Standard.

Further, this is to confirm that the funds raised have been utilized to finance renewable energy projects as per the "Eligible Projects" under PFC's Green Bond Framework. As at 31.3.2022, outstanding loan balances of Solar & Wind energy projects funded by PFC are Rs. 11,794 crore & Rs. 6,573 crore respectively.
