

RT- DAS Control System inaugurated in Visakhapatnam as part of 'Azadi ka Amrit Mahotsav'

29th October 2021

As part of 'Azadi ka Amrit Mahotsav' celebrations marking 75 years of India's Independence, a RT-DAS (Real Time Data Acquisition System) commissioned under 'Integrated Power Development Scheme' was inaugurated in Visakhapatnam.

The project was inaugurated by Shri K Santhosha Rao, CMD, APEPDCL in the presence of Senior Officers from PFC and APEPDCL.

RT- DAS Control System, known for automated monitoring of power supply, was sanctioned at a cost of Rs 4.80 crore. The Control system will benefit more than 36 towns in the surrounding areas.
