AUDITOR'S REPORT

M/s. A.K. Jalan & Associates, Chartered Accountants, were appointed as Statutory Auditors of the Company for the financial year 2017-2018 by the Comptroller & Auditor General of India.

Pursuant to the provisions of Section 134(3) of the Companies Act, 2013 the information to the Emphasis of matter of Statutory Auditor's on the Financial Statements for the Financial Year 2017-18 and the Management Reply on the same are submitted as under:-

SI No.	Emphasis of matter	Management's Reply
1.	The company has included all expenses comprising interest, general administrative and outsourcing services cost in capital work-in-progress (CWIP), which stands at ₹ 25,25,589 as on the balance sheet date. The company is a subsidiary of PFC and incorporated as a special purpose vehicle (SPV) for holding licensed premises of proposed Ultra Mega Power Project in the state of Jharkhand ('the project') including Coal Block License, Coal Blocks Land, Power Plant Land and land for Corridors for the construction, operation and maintenance of electricity system and integrated fuel system and to act as a nodal	It is to mention that all these expenses have been incurred during the process of acquisition/development of Infrastructure assets and have been capitalized accordingly to CWIP. Further, these expenses are recoverable from the successful bidder/procurers and shall form part of the tariff to be determined by the Regulatory Authority under

<p>agency for lease license of land, coal block etc. As a policy, all the expenditure incurred (including general overheads) in the process of acquiring the above infrastructure and assets are booked as capital Work in progress during the financial year. The consideration/cost of these assets forming part of CWIP will be recovered from the procurers/successful bidder of project as per the applicable Government of India policy in the matter at the time of transfer of the SPV. However, no specific development activity pertaining to the project has been undertaken during the relevant financial year and also since incorporation, though costs incurred are in the nature of general overheads and interest charge by the holding company on funding proportionate levy of general overheads by the consulting company of the group. Applicable Accounting Standards require these expenses incurred during the period when no development activities for the project in hand have been undertaken be charged to the statement of profit and loss. In our opinion, this constitutes departure from the Accounting Standards referred to in section 133 of the Companies Act, 2013 and the Companies (Accounts) Rules, 2014. However, management disagreed to our opinion and was holding that as these expenses in total are recoverable in future at the time of transfer of the PS from the bidder of the project, hence the same can not be classified as loss. Management has also produced in support of their contention, copy of comment of CAG of india u/s 619(4)of the Companies Act, 1956 in case of DGEN Transmission Company Limited for the year ended 31/03/2014 vide their report dated 21/08/2014, and we quote, "the company has correctly capitalized the expenses as per para 9.2 of AS-10. These expenses are recoverable by PFC Consulting Limited from the prospective bidder to whom this company is to be transferred on selection of bidder. As such, these expenses cannot be treated as loss to the Company ." it is, however, uncertain to ascertain the amount getting recovered in future from the prospective successful bidder, uncertain to ascertain whether the expenses would be materialized in a capital asset at all and even implementation of the proposed project is uncertain at the given point of time such. Hence, the same, might be affecting the financial position of the company adversely in future.</p>	<p>the Electricity Act, 2003. These facts are already disclosed adequately in the relevant note no. 11 of "Other Notes to the financial statements"</p>
--	---

2.	The Company has charged expenses as apportioned levy through Debit Notes of M/s PFC Consulting Limited (PFCCL), submitted along with copies of common expenses of general service providers in the name of PFCCL. Company has also paid service tax on the charges levied through debit Notes of PFCCL. However, as per advice received by the Company, TDS has not been deducted from such payment, though the company may be held liable for tax at source. Moreover, for a charge to expense, proper expense bill should be the basis, which is not available with the Company. On both counts, the Company may be financially affected. We do not modify our original opinion expressed above based on these comments	These facts are already disclosed adequately in the relevant note no. 10 of "Other Notes to the financial statements". Further, in regard to TDS on allocation of expenses to the company an opinion was also taken according to which, no tax is required to be deducted on payments made to PFCCL by the Company.

The Company is a Special Purpose Vehicle (SPV), incorporated for specific project and to hold land for power station including corridors like ash pipeline, water pipeline, fuel (coal/Pol) transportation, access roads etc. The cost of the acquisition of land would be sought from procurers and would be deposited with State Government. The SPV will provide land on lease for the power station, corridors and coal block as well as mining rights to the developer selected based on competitive bidding process as per the Guidelines/SBDs issued by Ministry of Power. As the Company will be transferred to the Procurers of power, risk management is necessary only till such transfer takes place. However the management regularly identifies the probable risks associated during this phase and takes adequate steps for the risk management.

In case, the project is abandoned or cannot be bid out or there is no selected developer after carrying out bidding process, the initial expenditure incurred by PFC in formation of SPV as share capital/other expenses and the other costs incurred on pre development activities would be adjusted against the commitment advance received from procurers in the operating SPV viz. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. Our responsibility is to express an opinion on these Financial Statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free from material misstatement.

A. K. JALAN & ASSOCIATES
CHARTERED ACCOUNTANTS

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Financial Statements that give a true and fair, view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Financial Statements.

We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

04. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of Balance Sheet, of the state of affairs of the Company as at 31st March, 2018;
- (b) In the case of Statement of Profit and Loss, of no profit no loss for the year ended on that date; and
- (c) In the case of Cash Flow Statement, of the cash flows for the year ended on that date.

05. Emphasis matter Paragraph

01. The company has included all expenses comprising interest, general administrative and outsourcing services cost in Capital work-in-progress (CWIP), which stands at Rs. 25,25,589 as on the Balance Sheet date. The company is a subsidiary of PFC and incorporated as a Special Purpose Vehicle (SPV) for holding licensed premises of proposed Ultra Mega Power Project in the State of Jharkhand ('the project') including Coal Block License, Coal Blocks Land, Power Plant Land and Land for Corridors for the construction, operation and maintenance of electricity system and integrated fuel system and to act as a nodal agency for lease license of land, coal blocks etc. As a policy, all the expenditure incurred (including general overheads) in the process of acquiring the above Infrastructure and assets are booked as Capital Work in Progress during the financial year. The consideration/cost of these assets forming part of CWIP will be recovered from the procurers/successful bidder of the project as per the applicable Government of India policy in the matter at the time of transfer of the SPV. However, no specific development activity pertaining to the project has been undertaken during the relevant financial year and also since incorporation, though costs incurred are in the nature of general overheads and interest charges by the holding company on funding proportionate levy of general overheads by the consulting company of the group. Applicable Accounting Standards require these expenses incurred during the period when no development activities for the project in hand have been undertaken be charged to the statement of profit and loss. In our opinion, this constitutes departure from the Accounting Standards referred to in Section 133 of the Companies Act, 2013 and the Companies (Accounts) Rules, 2014. However, management disagreed to our opinion and was holding that as these expenses in total are recoverable in future at the time of transfer of the PS from the bidder of the project, hence the same can not be

CHARTERED ACCOUNTANTS

classified as loss. Management has also produced in support of their contention , copy of comments of CAG of India u/s 619(4) of the Companies Act, 1956 in case of DGEN Transmission Company Limited for the year ended 31/03/2014 vide their report dated 21/08/2014, and we quote, "the company has correctly capitalized the above expenses as per Para 9.2 of AS-10. These expenses are recoverable by PFC Consulting Limited from the prospective bidder to whom this company is to be transferred on selection of bidder. As such, these expenses cannot be treated as loss to the Company." It is, however, uncertain to ascertain the amount getting recovered in future from the prospective successful bidder, uncertain to ascertain whether the expenses would be materialized in a capital asset at all and even implementation of the proposed project is uncertain at the given point of time as such. Hence, the same, might be affecting the financial position of the company adversely in future.

02. The Company has charged expenses as apportioned levy through Debit Notes of M/s PFC Consulting Limited (PFCCL), submitted along with copies of bills of common expenses of general service providers in the name of PFCCL . Company has also paid Service tax on the charges levied through Debit Notes of PFCCL. However, as per advice received by the Company, TDS has not been deducted from such payments, though the Company may be held liable for Tax at source. Moreover, for a charge to the expense, proper expense bill should be the basis, which is not available with the Company. On both counts, the Company may be financially affected. We do not modify our original opinion expressed above based on these comments.

06. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Government of India in terms of sub-section 11 of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure-I", a statement on the matters specified in paragraphs 3 and 4 of the said Order.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.
