ANNEXURE TO THE NOTICE

Explanatory Statement pursuant to section 102 of the Companies Act, 2013

Item no.1

Approval of Related Party Transaction

PFC is a Navratna, CPSE under the administrative control of Ministry of Power Government of India and as such GOI and PFC are related parties in accordance with Section 2(76) of the Companies Act.

Section 188 of the Companies Act states that no company shall enter into any contract or arrangement with a related party except with the consent of the Board of Directors given by a resolution at a meeting of the Board.

First proviso to Section 188 (1) further stipulates that no contract or arrangement, in the case of a company having a paid-up share capital of not less than such amount, or transactions exceeding such sums, as may be prescribed, shall be entered into except with the prior approval of the company by a resolution. The second proviso further states that no member of the company shall vote on such resolution, to approve any contract or arrangement which may be entered into by the company, if such member is a related party.

Rule 15(3) of the Companies (Meetings of Board and its Powers) Rules, 2014 specify the limits for transactions beyond which related party transaction shall require approval of the shareholders. With regard to the category of "sale, purchase or supply of any goods or materials", limit has been prescribed as 10% or more of turnover or Rs.100 Crore, whichever is lower. The said threshold applies to transaction or transactions to be entered into either individually or taken together with the previous transactions during a financial year. The transaction between Gol and PFC for sale and purchase of 1,03,93,99,343 equity shares of the Gol in REC shall exceed the threshold limit set out under Rule 15(3) of the Rules.

MCA vide Notification No. G.S.R. 463(E), dated 5 June 2015, exempted the application of the first and second proviso to Section 188(1), to a Government company in respect of contracts or arrangements entered into by it with any other Government Company. However, there is no such exemption for a transaction between the Government and a Government Company. Accordingly the transaction is required to be approved by the shareholders (except Government) by way of an Ordinary resolution.

Accordingly, approval of the Shareholders under Section 188 and other applicable provisions, if any, of the Companies Act, 2013, and also the provisions/rules under other applicable enactments, is sought:

1. To enter into a related party transaction with President of India, acting through Ministry of Power, Government of India (Gol) to acquire Gol's 1,03,93,99,343 fully paid up equity shares of REC Limited together with management control at a price determined in accordance with Regulation 8 and 10(1)(a) of SEBI (Substantial Acquisition and Takeover) Regulations, 2011 ("Takeover Regulations"), including premium as may be decided by the Board of Directors, on the basis including inter alia a valuation report from a valuer appointed by the Company, which shall not exceed the threshold limit of 25% provided under Regulation 10(1)(a) of the Takeover Regulations given that the transaction will be exempt from a requirement of making an open offer under Regulation 10(1)(a)(iii) of the Takeover Regulations.
2. To authorize the Board of Directors of the Company (including any Committee duly constituted by the Board of Directors or any authority as approved by the Board of Directors) to do all such acts, deeds and things as may be deemed necessary including but not limited to negotiating, finalizing and signing a share purchase agreement, other agreements, declarations and documents, fixing the price, quantum, consideration, premium, terms of payment including in advance or otherwise etc. for giving effect to the said Related Party Transaction as they may, in their absolute discretion deem necessary.

Further, pursuant to the Rule 15(3) of Companies (Meetings of Board and its Powers) Rules, 2014, the particulars of the proposed related party transaction are set-out below:

- (a) Name of the related party:** The President of India acting through Ministry of Power, Government of India

(b) Name of the Director or Key Managerial Personnel who is related, if any:

The President of India has nominated Dr. Arun Kumar Verma, Joint Secretary, Ministry of Power, Government of India as Government Nominee Director on the Board of the Company.

(c) Nature of relationship: The President of India is the promoter of the Company and holds 1,62,32,31,514 equity shares of the Company, representing 61.48% of the share capital of the Company.

(d) Nature, material terms, monetary value and particulars of the contract or arrangements:

The Company to enter into a related party transaction with Government of India to acquire Gol's 1,03,93,99,343 fully paid up equity shares of REC Limited together with management control at a price, including premium as may be decided by the Board of Directors after deliberating upon various factors including inter alia a valuation report from a valuer appointed by the Company. The premium shall not exceed the threshold limit of 25% provided under Regulation 10(1)(a) of SEBI (Substantial Acquisition and Takeover) Regulations, 2011 ("Takeover Regulations") given that the transaction will be exempt from a requirement of making an open offer under Regulation 10(1)(a)(iii) of the Takeover Regulations. By way of illustration only, based on the price of Rs. 113.96 per equity share determined in accordance with Regulation 10(1)(a) of Takeover Regulations as on 18.02.2019 together with maximum premium of 25%, the acquisition value shall not exceed Rs.14806.24 crores @142.45 per equity share. The Company will acquire such shareholding of REC Limited from the Gol free from all liens and with corresponding voting rights and other benefits appertaining thereto. The acquisition shall be subject to fulfillment of conditions precedent for both Company and Gol. The Company shall enter into a share purchase agreement with the Gol which shall inter alia capture these commercial terms.

(e) Any other information relevant or important for the members to take a decision on the proposed resolution:

The Government has, on several occasions, articulated its vision on consolidation of CPSUs through mergers and acquisitions with a view to achieve better synergies, economies of scale, ability to take higher investment decisions and to create more value to their Shareholders. Keeping in view this stated vision, the Union Government has recently decided on the first such measure in the Power Sector value chain through a takeover of the Government's stakes in REC Ltd. by Power Finance Corporation Ltd.(PFC).

This decision would enable increased efficiencies in lending processes, and policies across both the Institutions, and would create substantial public value by offering better loan products to the Sector. A common management thread between the two institutions would lead to better cross fertilization of specific institutional expertise in diverse areas, across Rural and Urban areas, as well as between Generation, Transmission, Renewable & Distribution sub-sectors. The convergence between the entities as combined group entities would help the Power sector reap benefits from a decentralized outreach of REC, and a professional project finance expertise of PFC. Further, the ensuing diversification of assets of the group, as well as portfolio risk would help these Institutions manage the resolution of stressed Power Sector assets in a better and coordinated manner.

This convergence would help the Sector leverage diverse loan products. A synergetic approach between PFC and REC for raising funds in both Domestic and International markets would reduce the underlying inefficiencies associated with timing and pricing the markets. This would reduce the risk of crowding out of funds available for borrowing by both the Institutions, thereby making the institutions more competitive with respect to their peers.

The decision of PFC taking over REC internalizes the likely encumbrances, both administrative and financial, with a view that after the said integration, both the institutions remain adequately capitalized, and are able to operate in the lending space as NBFC-IFCs from a position of strength.

SEBI has granted specific exemption to this transaction from the compliance under regulation 23(2), 23(3) and 23(4) of the Listing Regulations vide its letter dated 27th December, 2018.

Reserve Bank of India, vide its communication dt.12.02.2019, has granted its approval for the proposed change in shareholding of REC Ltd. (formerly Rural Electrification Corporation Limited) i.e. transfer of 52.63% of Gol's shareholding in REC Ltd. to Power Finance

Corporation Limited in terms of RBI's Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit Taking Company and Deposit Taking Company (Reserve Bank) Directions, 2016 as amended.

Competition Commission of India, vide its communication dt.31.01.2019, has informed that the commission in its meeting held on 31.01.2019 has approved the proposed Transaction of transfer of 52.63% of Gol's shareholding in REC Ltd. to Power Finance Corporation Limited which falls into the definition of the Combination as per the Competition Act, 2002.

Board recommends the resolution for the approval of the members.

None of the Directors except to the extent of their individual shareholding in the Company and except the nominee of Government of India on the board of the Company, Key Managerial Personnel and their relatives is interested in the resolution.

All relevant documents referred in the Explanatory Statement shall be open for inspection at the Registered Office of the Company on all working days between 11:00 hrs. to 13:00 hrs. up to the date of declaration of the result of Extra ordinary General Meeting.
