## PRESS RELEASE

20<sup>th</sup> September, 2024

PFC organises a talk on "Cleanliness and Environmental Awareness" at a school as part of  
#SwachhataHiSeva Campaign 2024

PFC organised an awareness talk at Union Academy Sr. Secondary School, New Delhi, featuring a distinguished expert from the Institute of Health & Safety Management Pvt. Ltd. as part of the #SwachhataHiSeva Campaign 2024. The event covered essential topics such as personal hygiene and environmental cleanliness, equipping students with the knowledge to foster a healthier community.

The session concluded with a Swachhata Quiz to engage students and assess their understanding of the topics discussed. This interactive component reinforced learning and encouraged a spirit of competition among participants.

PFC also organised a plantation drive under the "Ek Ped Maa ke Naam" initiative, emphasising its commitment to environmental sustainability. Approximately 50 diverse plant varieties were distributed to school authorities, highlighting the critical role of greenery in enhancing ecological balance and community well-being.

These initiatives are part of the broader #SwachhataHiSeva campaign, which seeks to mobilise citizens toward active participation in cleanliness and environmental responsibility. PFC is dedicated to fostering a culture of cleanliness and environmental stewardship among students and the community.
