

Funding of Conventional Power Projects

1. Government Sector Power Projects

A. Thermal Power Generation

- The scheme involve funding of thermal power projects and related activities being undertaken by the government sector entities
- Entity and project eligibility criteria shall be governed by the corporation's policy as modified from time to time
- The extent of funding shall be up to 80% of the project cost. However, it shall be up to 90% for Research & Development (R&D) projects. Also, the overall exposure shall be governed by the RBI norms
- Repayment and moratorium period shall be in line with the corporation's policy as modified from time to time
- The requirement of securities & collaterals shall be as per the corporation's policy as modified from time to time

B. Hydro Power Generation

- The scheme involve funding of hydro power projects and related activities being undertaken by the government sector entities
- Entity and project eligibility criteria shall be governed by the corporation's policy as modified from time to time
- The extent of funding shall be up to 80% of the project cost. However, it shall be up to 90% for Research & Development (R&D) projects. Also, the overall exposure shall be governed by the RBI norms
- Repayment and moratorium period shall be in line with the corporation's policy as modified from time to time
- The requirement of securities & collaterals shall be as per the corporation's policy as modified from time to time

C. Transmission

- The scheme involve funding of transmission projects and related activities being undertaken by the government sector entities
- Entity and project eligibility criteria shall be governed by the corporation's policy as modified from time to time
- The extent of funding shall be up to 90% of the project cost. Also, the overall exposure shall be governed by the RBI norms
- Repayment and moratorium period shall be in line with the corporation's policy as modified from time to time
- The requirement of securities & collaterals shall be as per the corporation's policy as modified from time to time

D. Distribution

- The scheme involve funding of distribution projects and related activities being undertaken by the government sector entities
- Entity and project eligibility criteria shall be governed by the corporation's policy as modified from time to time
- The extent of funding shall be up to 90% of the project cost. Also, the overall exposure shall be governed by the RBI norms
- Repayment and moratorium period shall be in line with the corporation's policy as modified from time to time
- The requirement of securities & collaterals shall be as per the corporation's policy as modified from time to time

2. Private Sector Power Projects

A. Thermal Power Generation

- The scheme involve funding of thermal power projects and related activities being undertaken by the private sector entities
- Entity and project eligibility criteria shall be governed by the corporation's policy as modified from time to time
- The extent of funding shall be up to 50% of the project cost. However, it shall be up to 20% for thermal generation. Also, the overall exposure shall be governed by the RBI norms
- The minimum project size shall be ≥ 10 MW
- Repayment and moratorium period shall be in line with the corporation's policy as modified from time to time
- The requirement of securities & collaterals shall be as per the corporation's policy as modified from time to time

B. Hydro Power Generation

- The scheme involve funding of hydro power projects and related activities being undertaken by the private sector entities
- Entity and project eligibility criteria shall be governed by the corporation's policy as modified from time to time
- The extent of funding shall be up to 50% of the project cost. However, it shall be up to 25% for medium & large hydro generation. Also, the overall exposure shall be governed by the RBI norms
- The minimum project size shall be ≥ 5 MW
- Repayment and moratorium period shall be in line with the corporation's policy as modified from time to time
- The requirement of securities & collaterals shall be as per the corporation's policy as modified from time to time
